

Way to go Larry! BY: Kevin Hiatt

Larry Pledger, one of the people we support at Forsyth Industrial Systems and a former basketball star at Carter Vocational High School recently received a wonderful surprise.

Several of Larry's friends and co-workers met and boarded vans at Forsyth Industrial Systems. They were heading to Carter Vocational School where Larry's surprise of a life time was waiting.

Larry was inducted into the Carter Vocational Wildcats Wall of Honor during half time of the team's season opener against West Forsyth. Larry attended the season opener with about thirty others that we support and was unaware of this award.

Larry was given a certificate by Ronnie Cabiness, the men's basketball coach. Now Larry's picture will be displayed on the Wall of Honor located in the Carter Vocational High School gym. Larry is one of only five individuals to receive this honor. Congrats Larry, we are so proud of you!

The Sky's the Limit!

Monarch will be taking to the sky for their newest fundraiser. A golf ball drop will be held at the agency's inaugural golf tournament on Friday, April 24th at Tillery Tradition Country Club in Mt. Gilead, NC.

1,000 numbered golf balls will go up in the ReMax hot air balloon following the "Inaugural Dreams Take Flight Golf Tournament" presented by Indiblu Creative and dropped onto the green. The ball that lands closest to the pin wins. The winner of the corresponding ball will split the ball drop funds 50/50 with Monarch, and the winner could walk away with \$5,000.

Tickets corresponding to the numbered balls can be purchased for \$10 each or 3 for \$25. To buy your tickets, please call Dana Story at 704.986.1543 or send an email to dstory@MonarchNC.org. All proceeds from the golf tournament and ball drop benefit Monarch and the support of their mission. Those who participate need not be present to win.
